

**REMARKS**

Applicant respectfully requests reconsideration of the application. Finally rejected claims are cancelled without prejudice, and Applicant reserves the right to pursue these claims in a related application. All other claims have been allowed; therefore, the application is in condition for allowance.

Claim 32 has been amended slightly without changing its scope. No new issue is raised by this amendment, and the Examiner is requested to enter it.

Applicant has included a data sheet to clarify the change in the priority claim made during the prosecution of this application. This application was filed prior to November 29, 2000; therefore, a request for acceptance of an unintentionally delayed priority claim is not necessary.
